Most of the work can be dealt with over the phone or by e-mail although a preliminary fact finding discussion to determine what level of service you need is always useful. Meeting in person also helps you establish whether you have the right man for the job! We do like to meet with clients from time to time to discuss any pressing tax or financial planning issues. Although this would be on a 'needs be' basis and would not be intrusive.

Please feel free to e-mail info@wesaveutax.co.uk or call us on 01483 419922 if you would like to discuss this at greater length.
